Why should I include my name on the Register of Electors?

- X** Problems opening a bank account?
- X** Trouble with mortgage approval?
- X** What about applying for a loan, credit card or a mobile phone?

If you answered *yes* to any of the above, it could be because your name does not appear on the Register of Electors.

The Register of Electors is just one of the ways credit reference agencies check your details when you apply for credit.

If you are eligible and not on the register, you could lose out.
